<b>End Date</b>	2020-11-30
<b>Context</b>	This CRER submission is related to approved CRER C445 for an Analytics Director (\$38,400). The original submission was for 2 months starting in September. Unfortunately the team has just now identified the resource, but would still need the 2 months that were approved. I am submitting this CRER to cover the 2 month span but to also add that they would split the cost with Pernod (originally only McCormick). Once approved, I will adjust the start/end dates of C445 as well as drop the cost to \$15,360 to fit the balance.
